Product Description

Office 2019 Professional Plus Lifetime License Validity Product Keycard for 1 PC not for MacOS

Microsoft 2019 Professional Plus is the leading business suite worldwide. In this new version of Office 2019, all of the programs have been updated with more powerful features and better cloud integration, making it easier for you to accomplish more in less time. Word 2019, Excel 2019, PowerPoint 2019, Access 2019, Publisher 2019, and Outlook 2019 are all here in Office 2019. Take your documents and presentations to the next level.

With Microsoft Office 2019 Professional Plus, you get everything you need for business. This major upgrade of Office has new features in every application. These new features enhance productivity, help you better analyze your data, and stay on top of the game in today's fast-paced work environment.

Features:

Microsoft Word 2019

Word keeps the features you love and adds new templates, new 3-D effects, shadows, SmartArt graphics, and refined inking features with advanced support for touchscreen sensitivity. Word 2019 is more secure and has better cloud integration. A smarter, more effective way to work.

Microsoft Excel 2019

Excel 2019 brings you powerful ways to manage data analysis, along with new forecasting features. With Power Query, you can get data for analysis from almost anywhere, including websites, SQL, Access, and other databases. Excel comes with new charts and new ways to present your data, advanced cloud integration, and features to improve workflow.

Microsoft PowerPoint 2019

PowerPoint has powerful collaborative features, new visual effects, an enhanced Designer bar to optimize the layout of slides and new animations, morph and other transitional effects, and more ways to bring create compelling presentations. Advanced cloud integration makes sharing your ideas and presentations with co-workers or over the web easy.

Microsoft Outlook 2019

Outlook gets many new features and functionality with Office 2019's focus on more effective email and communications management. With these new features and functionality, Office 2019 makes communications a top priority.

Requirements

PC	Mac
Microsoft account	Microsoft account
Internet access	Internet access

Is internet access required for office 2019?

Unless you are installing from physical media, internet access is required to download and activate Office 2019. You don't need to be connected to the internet to use the Office applications, such as Word, Excel, and PowerPoint, because the applications are fully installed on your computer.

Office for everyone

For many customers, Office 365 is the way to go. However, going to the cloud is a journey, and our customers may be in different stages of that journey. To support those customers, we have Office 2019, a valuable new release of Office with a subset of features from Office 365.

Office 2019

for those who can't be cloud-connected

Office 2019 provides a set of valuable enhancements for customers who can't be cloud-connected or receive regular updates. The new enhancements in Office 2019 are a subset of a long list of features that have been added to Office 365 ProPlus over the last three years. It provides new features and updates to the on-premises apps for both users and IT professionals.

Office 365

continuous cloud-powered innovation

Office 365 ProPlus, the cloud-connected version of Office, delivers the most productive and most secure Office experience—with the lowest total cost of ownership for deployment and management. Office 365 ProPlus delivers continuous cloud-powered innovation for increased productivity, better security, and the lowest TCO.
